Dear Member;	
<p>Effective, January 1, 2017, we enter a new Membership dues year. As a loyal Member, you are invited to submit annual dues. Los Angeles Lodge operations depend on your Membership dues to maintain annual operations. These include the running of the club facility at 415 Bamboo Lane that is used for our activities and is opened for community meetings.</p> <p>We continue our monthly meetings and dinners to which you are always welcome. We are also stepping up our program of leadership development for young people through our Youth Council, essay and speech competitions, and scholarships.</p> <p>We continue our efforts to protect the civil rights of Chinese Americans and remain vigilant with our voice as necessary.</p> <p>We support the new National mission of preserving our Chinese American Heritage by collecting historical photos about Lodge life, C.A.C.A., and Los Angeles Chinatown. If you have any such photos to share, to donate, loan, or copy, please contact Sisters Suellen Cheng and Susan Dickson. [suellenck@aol.com].</p> <p>We wish you the Greatest 2017 and thanks for your loyal support and interest!</p>
